SUBJECT: Blue Line Extension – Appointments to Advisory Committees

As you know, Crystal is one of the cities that will be served and directly affected by the Blue Line Extension. Mayor Adams serves as the city's representative on the Blue Line Extension Corridor Management Committee.

As planning for the Blue Line Extension LRT intensifies, Business and Community advisory committees will be created to:

- Serve as a voice for the community
- Advise the Corridor Management Committee and Hennepin County Community Works Steering Committee
- Provide input on design: stations, operations and maintenance facility, bike, pedestrian, and park-and-ride facilities
- Serve as information resource and liaison to the community

Expectations of members of these committees are:

- Serve a 2-year term and attend meetings
- Actively participate in discussions; be a voice to advance the broader interests of community
- Report back to the community group represented
- Provide feedback on communication and public involvement efforts
- Listen to and respect the viewpoints of others
- Accept outcomes of Met Council decisions

Crystal can appoint two members to both the Business Advisory Committee (BAC) and Community Advisory Committee (CAC). Appointments are needed by the end of February in time for kick off meetings anticipated in March.

Mayor Adams and Community Development Director :Patrick Peters will be at the work session to provide more details about the roles of these committees.
