

PROPOSAL FORM  
PROPOSAL TO THE ECONOMIC DEVELOPMENT AUTHORITY OF THE CITY OF CRYSTAL  
5255 EDGEWOOD AVENUE NORTH

CHECK ONE: Option exercised 5/22/2015  
 BUILDER OFFERS \$50,000 TO PURCHASE THIS LOT  
 BUILDER OFFERS \$500 FOR A SIX-MONTH OPTION TO PURCHASE THIS LOT FOR \$50,000

This proposal is not a purchase agreement or other binding contract. At this time, the Builder is submitting a proposal to purchase this lot and build a new single family house in accordance with the RFP Guidelines, or is requesting a six-month option for same.

If a builder's proposal is tentatively accepted by the EDA board, then EDA staff would work with the Builder to determine the specific house plan and present it at the next EDA meeting. If the EDA board gives final approval at that time, the Builder would sign a Purchase & Redevelopment Agreement and provide \$2,000 earnest money for the lot. Only after such an Agreement is signed would a binding contract exist between the EDA and the Builder.

Builders may purchase a 6-month option on a lot for \$500, renewable for an additional 6 months for an additional \$500. The option provides the builder with exclusive rights to purchase the lot and build a house subject to the normal EDA process, requirements and guidelines. As a condition of the option, the builder must list the lot with a to-be-built house on the MLS for the duration of the option. The number of options is limited: No builder may have options on more than 10% of the EDA's lots, and no more than 50% of the EDA's lots may be under option at any time.

**REQUIRED ATTACHMENTS AND ADDITIONAL INFORMATION:**

- Attach one representative example of a house you would plan to build on this lot if your proposal is selected. It does not need to show exactly how it would be placed on the lot; it just needs to show the approximate size, quality and features you would anticipate a new house would have on this lot. A specific house plan would be determined after a proposal is tentatively accepted by the EDA.
- The EDA will only sell lots to builders who have experience in house construction in Minnesota. Please list the addresses of three houses you have built in Minnesota within the last five years, or attach other evidence of qualification for review by the EDA:
