The City of Crystal has adopted the following ordinance:

Crystal City Code 1005.29 Financial responsibility; applicability. (a) Prior to the issuance of a license the applicant must file with the city clerk satisfactory evidence of financial responsibility. "Satisfactory evidence of financial responsibility" shall be shown by a certification under oath that the property taxes, public utility bills, and all state and federal taxes or other governmental obligations or claims concerning the business entity applying for the license are current, and that no notice of delinquency or default has been issued, or if any of the financial obligations stated in this subsection are delinquent or in default, that any such delinquency or default is subject to a payment plan or other agreement approved by the applicable governmental entity. "Satisfactory evidence of financial responsibility" as required by this subsection shall in addition be shown by any individual applicant and all individual owners and/or shareholders of the business entity. Operation of a business licensed under this section without having on-going evidence on file with the City of the financial responsibility required by this subsection is grounds for revocation or suspension of the license.

What does this mean for a City-issued business license?

Prior to issuance of a City-issued business license or renewal license, license holders are required to certify that the property taxes, utility bill, and all state and federal taxes for the property or the business entity applying are current. Also, the applicant must certify that no notice of delinquency or default has been issued or is subject to a payment plan.

What will happen if a license holder is not financially responsible?

A hearing is granted before the City Council. The Council may deny, suspend or revoke the City-issued business license. Upon providing satisfactory evidence of financial responsibility, the business owner may re-apply for the license.
