The City of Crystal has adopted the following ordinance:

Crystal City Code 1005.29 Financial responsibility; applicability. (a) Prior to the issuance of a license the applicant must file with the city clerk satisfactory evidence of financial responsibility. "Satisfactory evidence of financial responsibility" shall be shown by a certification under oath that the property taxes, public utility bills, and all state and federal taxes or other governmental obligations or claims concerning the business entity applying for the license are current, and that no notice of delinquency or default has been issued, or if any of the financial obligations stated in this subsection are delinquent or in default, that any such delinquency or default is subject to a payment plan or other agreement approved by the applicable governmental entity. "Satisfactory evidence of financial responsibility" as required by this subsection shall in addition be shown by any individual applicant and all individual owners and/or shareholders of the business entity. Operation of a business licensed under this section without having on-going evidence on file with the City of the financial responsibility required by this subsection is grounds for revocation or suspension of the license.

What does this mean for a City-issued business license?

Prior to issuance of a City-issued business license or renewal license, license holders are required to certify that the property taxes, utility bill, and all state and federal taxes for the property or the business entity applying are current. Also, the applicant must certify that no notice of delinquency or default has been issued or is subject to a payment plan.

What will happen if a license holder is not financially responsible?

A hearing is granted before the City Council. The Council may deny, suspend or revoke the City-issued business license. Upon providing satisfactory evidence of financial responsibility, the business owner may re-apply for the license.

1160.01. Definitions. For purposes of this section, the terms defined in this subsection have the meanings given them. Subdivision 1. "Person" means any person, individual, co-partnership, limited liability company and corporation, both as principal and agent, who engage in, do, or transact any temporary and transient business in the state or city regulated by this section.

Subd. 2. "Peddler" means a person who goes from house to house, door to door, business to business, street to street, or any other type of place to place for the purpose of offering for sale, selling or attempting to sell, and delivering immediately upon sale the goods, wares, products, merchandise, or other personal property that the person is carrying or transporting; the term does not include vendors of milk, bakery products or groceries who distribute their products to regular customers on established routes. The term Peddler shall mean the same as the term "hawker".

The absence of samples or catalogs shall not remove a person from the scope of this provisions if the actual purpose of the person's activity is to obtain or attempt to obtain orders as discussed above. The term solicitor shall mean the same as the term "canvasser".

Subd. 4. "Transient merchant" means a person, whether as owner, agent, consignee, or employee who engages in a temporary business out of a vehicle, trailer, box car, tent, other portable shelter, store front, or from a parking lot for the purpose of displaying for sale, selling or attempting to sell, and delivering goods, wares, products, merchandise or other personal property and who does not remain or intend to remain in any one location for more than four consecutive days as part of four sale events each year.

1160.03. License required. It is unlawful to engage in the business of peddler, solicitor, or transient merchant in the city without first obtaining a license therefore as provided by this section, unless exempt from such license pursuant to the requirements of subsection 1160.09. In addition, no person shall conduct business as a transient merchant within the city limits without first having obtained the appropriate license from Hennepin County as required by Minnesota Statutes, Chapter 329, as amended.

- i) A recent photograph (approximately two inches by two inches) of the applicant, showing the head and shoulders of the applicant in a clear and distinguishing manner;
- j) A statement as to whether or not the applicant has been convicted of any crime or violation of any municipal ordinance other than traffic violations, the nature of the offense, and the punishment or penalty assessed therefore;

- b) The sale of papers or newspaper subscriptions;
- c) Calling upon residents in connection with a regular route service for the sale and delivery of perishable daily necessities of life such as food, bakery products and dairy products. - g) A person issued an invitation by the owner or legal occupant of a residential premise shall be exempt from the definitions of peddlers, solicitors, and transient merchants.

Exemptions from this section shall not excuse any person from complying with any other applicable statutory provision or local ordinance.

Subd. 2. Non-profit organizations and free expression exemption. Any organization, society, association, or corporation with a non-profit status approved by the state or federal government desiring to solicit or to have solicited in its name money, donations of money or property, or financial assistance of any kind or desiring to sell or distribute any item of literature or merchandise for which a fee is charged or solicited from persons other than members of such organizations for a charitable, religious, patriotic, or philanthropic purpose by going from house to house, door to door, business to business, street to street, or other type of place to place, or when such activity is for the purpose of exercising that person's state or federal constitutional rights relating to the free exercise of religion or speech, is exempt from the licensing requirements of subsection 1160.03, provided there is a registration filed in writing on a form to be provided by the city clerk which contains the following information:

Professional fund raisers working on behalf of an otherwise exempt person or group shall not be exempt from the licensing requirements of subsection 1160.03.

Subd. 3. Farm produce, horticultural, fireworks exemption. No license shall be required for any person to sell or attempt to sell or to take or attempt to take orders for any product grown, produced, cultivated, or raised on any farm. For the purposes of this section, "product" shall also mean any horticultural product grown, produced or cultivated and/or sold by any person in this state. Persons exempt under this subdivision shall register with the city as required by subdivision 2 of this subsection. The sale of fireworks shall be regulated by section 1131 of the city code. Notwithstanding any provision of the city's zoning code to the contrary, no conditional use permit or zoning approvals relating to accessory uses shall be required for sales regulated by this subsection.

1160.11. Investigation and issuance. The license application for non-exempt applicants must be referred to the chief of police or delegate who must immediately conduct a CCH Investigation of the applicant as authorized by section 311 of the city code and promptly return the application to the city clerk with a recommendation. The application will then be presented to the city council. (Amended, Ord. No. 2007-11, Sec. 3)

1160.15. Prohibited activities. Subdivision 1. Loud noises and speaking devices. A person licensed under this section may not shout, cry out, blow a horn, ring a bell, or use any sound amplifying device upon any of the streets, alleys, parks, or other public places of the city or upon private premises where sound of sufficient volume is emitted or produced therefrom to be capable of being plainly heard upon the streets, alleys, parks, or other public places, for the purpose of attracting attention to any goods, wares, or merchandise which such licensee proposes to sell.

Subd. 2. Use of streets. A person licensed or regulated under this section does not have an exclusive right to any location in the public streets, nor is such person permitted a permanent stationary location thereon. A person licensed under this section may not operate in a congested area where such operation might impede or inconvenience the public use of streets.

Subd. 3. Private property. Issuance of a license under this section does not permit the license holder to conduct the licensed activity on private property without the on-going permission of the property owner or the property owner's authorized agent. If such property is conspicuously posted by the owner or person in control with a sign stating "No trespassing", or "No solicitors or peddlers" or similar language, the entry thereon by any person subject to the licensing or registration requirements of this section without the permission of the owner or agent shall be a public nuisance punishable as a misdemeanor.

- d) Harassing, intimidating, abusing, or threatening a person, continuing to offer merchandise for sale to any person after being told not to do so by that person, or failing or refusing to leave the premises of the resident occupant after being told to do so by the resident occupant.

1160.17. Records. The chief of police must report to the city clerk all convictions for violation of this section. The city clerk must maintain a record for each license issued and record the reports of violation therein.

1160.19. Fee. The fees for licenses issued pursuant to this section are set by appendix IV.
