Dan Olson
City of Crystal Economic Development Authority
4141 Douglas Dr N
Crystal, MN 55422

Dan,

Enclosed please find an RFP for the City owned lot at 4553 Yates Ave N.

We are proposing to construct a two story home per the enclosed design. The home would feature a two car attached garage, three bedrooms, three bathrooms, an open living space arrangement, and will be an attractive addition to the neighborhood. We have reviewed the criteria set forth by the Crystal EDA in the Request for Proposal for the site and have determined that the proposed structure will meet the desired criteria.

Day Construction has been in the residential construction business since 2011, and it's members have been involved in the residential construction industry for approximately ten years. Our past projects have included numerous kitchens, bathrooms, basements, additions, as well as rehabbing and selling multiple distressed properties. We have thus far mainly focused on projects involving existing homes, but are beginning to move into the new construction industry. We have constructed one new home, as indicated in the completed RFP, at 2501 James Ave N in Minneapolis. While our background doesn't precisely meet the requirements set forth by the City, we hope that the City can look favorably upon our experience as a residential contractor and approve our proposal to construct a home at 4553 Yates Ave N.

Sincerely,

Matthew Day

President, Day Construction LLC

PROPOSAL FORM
PROPOSAL TO THE ECONOMIC DEVELOPMENT AUTHORITY OF THE CITY OF CRYSTAL
4553 YATES AVENUE NORTH

CHECK ONE:

- BUILDER OFFERS \$45,000 TO PURCHASE THIS LOT**
- BUILDER OFFERS \$500 FOR A SIX-MONTH OPTION TO PURCHASE THIS LOT FOR \$45,000**

This proposal is not a purchase agreement or other binding contract. At this time, the Builder is submitting a proposal to purchase this lot and build a new single family house in accordance with the RFP Guidelines, or is requesting a six-month option for same.

If a builder's proposal is tentatively accepted by the EDA board, then EDA staff would work with the Builder to determine the specific house plan and present it at the next EDA meeting. If the EDA board gives final approval at that time, the Builder would sign a Purchase & Redevelopment Agreement and provide \$2,000 earnest money for the lot. Only after such an Agreement is signed would a binding contract exist between the EDA and the Builder.

Builders may purchase a 6-month option on a lot for \$500, renewable for an additional 6 months for an additional \$500. The option provides the builder with exclusive rights to purchase the lot and build a house subject to the normal EDA process, requirements and guidelines. As a condition of the option, the builder must list the lot with a to-be-built house on the MLS for the duration of the option. The number of options is limited: No builder may have options on more than 10% of the EDA's lots, and no more than 50% of the EDA's lots may be under option at any time.

BUILDER: *(Builder is required to be a Residential Building Contractor licensed by the State of Minnesota.)*

Address: 8033 34th PI N City/State/Zip: Crystal, MN 55427

Email: matthew@day-construction.com Signature:  Date: June 19, 2015

REQUIRED ATTACHMENTS AND ADDITIONAL INFORMATION:

- Attach one representative example of a house you would plan to build on this lot if your proposal is selected. It does not need to show exactly how it would be placed on the lot; it just needs to show the approximate size, quality and features you would anticipate a new house would have on this lot. A specific house plan would be determined after a proposal is tentatively accepted by the EDA.
- The EDA will only sell lots to builders who have experience in house construction in Minnesota. Please list the addresses of three houses you have built in Minnesota within the last five years, or attach other evidence of qualification for review by the EDA:

House #1: 2501 James Ave N, Minneapolis

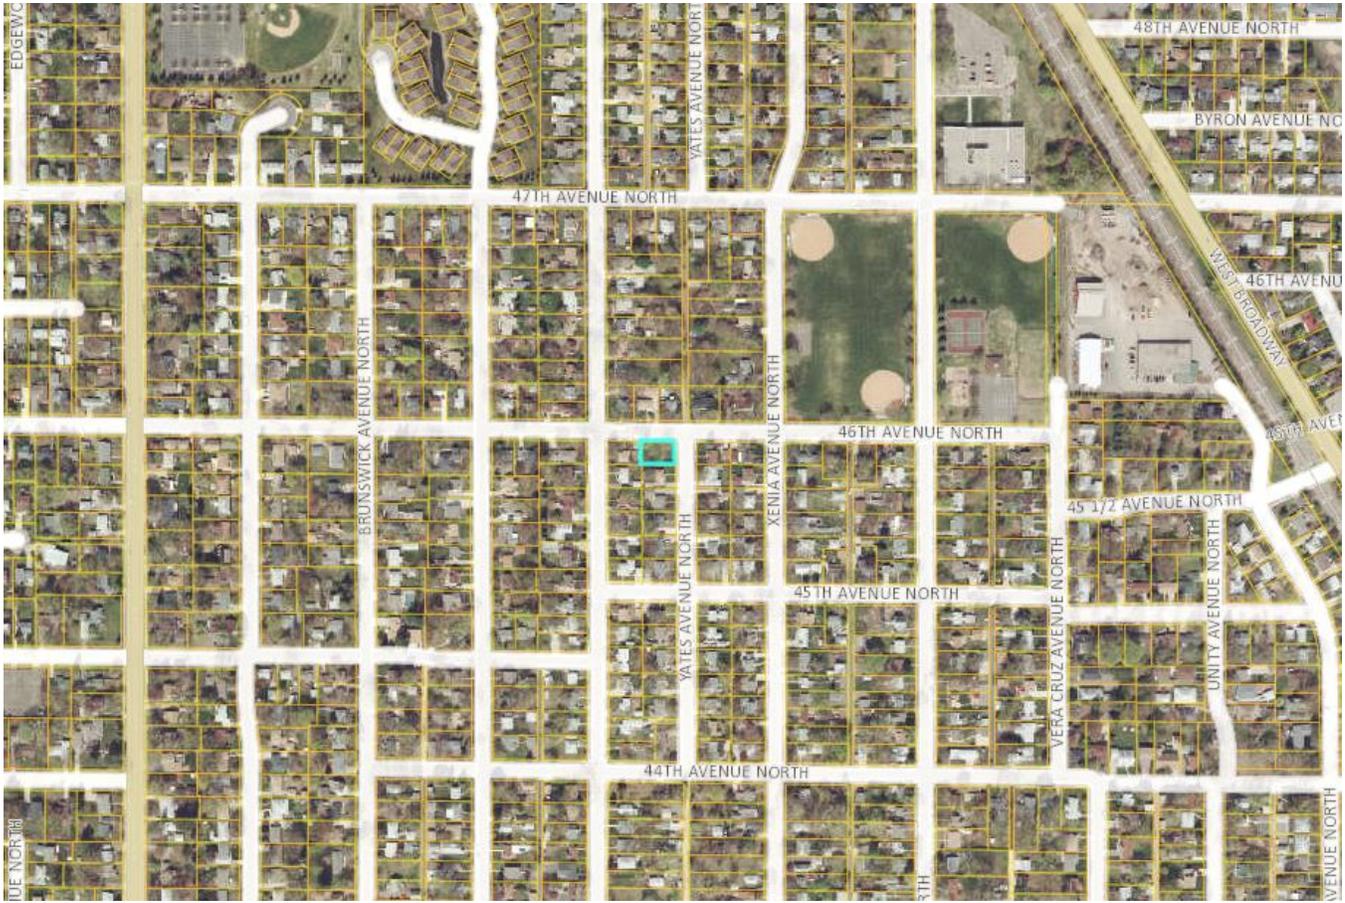

House #2: _____

House #3: _____

SUBMIT PROPOSAL TO: Attn: John Sutter, Crystal EDA, 4141 Douglas Dr N, Crystal MN 55422
