**Neighborhood Open House regarding a
proposed new Public Works Facility**
Crystal Community Center – Game Room
4800 Douglas Drive
Monday, April 21, 2014
5:00 – 7:00 p.m.
(no formal presentation - come anytime from 5-7)

The city is planning to build a new facility to house its Public Works Department which includes the city's street, utility and park maintenance operations. The facility would be on the west side of West Broadway from Fairview to Corvallis Avenues. The city is in the process of acquiring the properties necessary to assemble the 5.3 acre site (see aerial photo on the next page).

The April 21 neighborhood open house is an opportunity to review preliminary plans for the proposed facility and ask questions of city staff and the project architect in an informal setting. You may stop by anytime from 5-7 p.m. on April 21 in the Game Room at the Crystal Community Center.

The comments received at this meeting will be considered in the preparation of detailed site and building plans for the formal Planning Commission public hearing scheduled for June 9.
