

The Crystal Crime Prevention Board

is excited to host the **2nd Annual 5K Run/Walk "Run for Rocco"** on Sept. 24th, 2016 to raise money for the Crystal Police Department K9 Unit.

About This Activity

K9 Police Dog Rocco was born on November 12, 2011 in Slovakia. The Crystal Police Department received Rocco from the St. Paul Police Department through their K9 Program. Rocco has served the citizens of Crystal since May 2013. The name Rocco stands for Ready On Command Crystal Officer. The Crystal Police Department conducted a K9 naming contest with the elementary schools and a Kindergarten Class at Neill Elementary won the contest.

Rocco has been trained in apprehension, tracking, and narcotic detection. He has been a tremendous asset to the Crystal Police Department. The City of Crystal funds most of Rocco's necessities; however, it is necessary for the police department to fundraise due to the extensive training and equipment that is needed to keep Rocco in his job.

Proceeds from the event will go to the K9 unit, Rocco, of the Crystal Police Department.
