City of Crystal Flag Order Form

Mail checks payable to:
City of Crystal
Attn: City Flags
4141 Douglas Dr. N.,
Crystal, MN 55422

Flag purchases by cash and credit card must be made in person at city hall.

Thanks for wanting to display your Crystal pride.
The City of Crystal Flag features the two blue shades from the city's logo. The blues represent sky and water and are associated with depth, stability, trust, loyalty and wisdom.
The white swoop/arc represents the city's significant transportation and trail systems, while also symbolizing upward progress and bold forward movement.
The "14-point star" is a completely original element not found on any other known flag. Each ray represents one of Crystal's 14 neighborhoods. The "star" also symbolizes a guiding beacon or a shining crystal ball, which was a popular symbol from Crystal's earlier history.
