

Street Reconstruction Property Owner Questionnaire

A copy of the questionnaire is being mailed to all properties that *did not* return their questionnaire sent in July. Please complete and return this survey by November 19, 2012. **Indicating an interest in any of the items below does *not* commit you.** By completing this questionnaire, you will be put on the list(s) of property owners needing price and other information prior to street construction. At that time, you may make a final decision on whether or not you wish to have the work done.

Day Phone _____ Evening Phone _____

I. Sump Pump Discharge Service Line:

The sump pump service line pipe is offered to property owners with a footing drain tile and/or a sump pump or those considering installing a sump pump. (This option may not be available on all streets depending on final street design. Selecting this work does not add to your cost on an individual basis.)

- A. Does your home have a drain tile/footing drain? Yes No Unknown
- B. Does your home have a sump pump? Yes No

II. Private Sanitary Sewer Service Repair/Replacement from the Sewer Main to Your Property Line

You could save money by coordinating sanitary sewer service repair/replacement work with the upcoming street reconstruction. (Selecting this work to be done will add to your cost and result in an additional assessment.)

- A. Are you interested in repairing or replacing your sanitary sewer pipe from the sewer main to your property line? Yes No

III. Private Underground Utilities

- A. Do you have an underground lawn irrigation system? Yes No
- B. Do you have an underground electric pet containment system? Yes No

IV. Private Residential Driveway Replacement

In order to express your interest in continuing the driveway replacement program into Phase 13, please complete this section of the questionnaire. (Selecting this work to be done will add to your cost and result in an additional assessment.)

- A. Are you interested in having your driveway replaced? Yes No

B. What type of driveway do you have?

- Blacktop driveway Concrete driveway
- Combination blacktop/concrete Other _____

C. If you replace your driveway, would you:

- Widen it (within City Codes) Keep it the current width

V. Rain Garden

Are you interested in having a rainwater garden placed in the boulevard in front of your home?

Yes No

VI. Neighborhood Local Drainage Problems and Other Comments:

Thank you for your cooperation. Please fold questionnaire so the return address is on the outside and mail it. It is postage paid for your convenience.

Please complete all questions and return to us by November 19, 2012 even if your answers are “No.”
