RESIDENTIAL RECYCLING PROGRAM

All households and businesses are required by local ordinance to recycle paper, corrugated cardboard, metal food and beverage cans, plastic bottles and containers, and glass containers. Residential recycling collection is a City contracted service provided by one hauling company. Businesses are responsible for contracting for their service.

The **Brooklyn Park program** includes all single family/separate entry households and townhomes. Recycling is collected every other week on the same day as garbage (see map on page 3). Apartment complexes have weekly recycling collection (See page 3).

The **Hennepin Recycling Group (HRG) program** includes single family/separate entry households, townhomes, and small apartment buildings (less than 8 units). Recycling is collected every other week on the same day as garbage (see map on page 3). For large apartment buildings see page 4.

Each residential household is charged a monthly fee on their utility bill to support recycling services. This fee pays for:

- Curbside recycling collection
- Administration
- The yard waste drop-off site
- Public education
- Special events (electronic waste, bulky materials, etc.)

CURBSIDE RECYCLING COLLECTION

Recycling is easy! Every other week put all acceptable recyclable items together in the recycling cart and roll it to the end of your driveway by 6:30 a.m. on your collection day (See maps on page 3). Set it at the curb (not in the street) facing the street, handle toward the house. Make sure it is at least 3 feet from any object so the automated collection truck can pick it up.

RECYCLING CARTS

The program provides every household with a cart. For a new cart, a second cart, cart repairs, or a different size cart call (763) 493-8006 for free cart service.

- Three cart sizes available: 35, 64, and 96 gallon capacity. All are the same price.
- Free walk up service is available if you have a temporary or permanent disability.

Moving In: there should be a cart at your home. If not, call (763) 493-8006.

Moving Out: please leave your empty cart in the garage for the next resident.

HOLIDAY COLLECTION

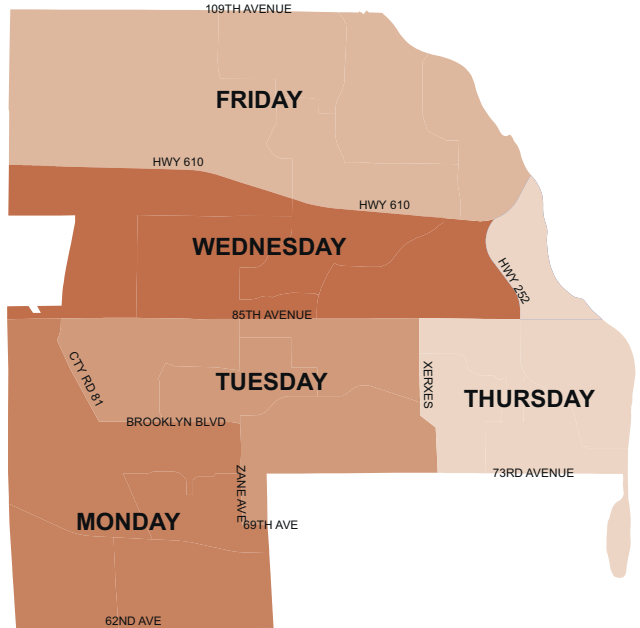

If your regular collection day falls on or after a holiday, your service will be delayed by one day. Holidays are: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas.

MISSED COLLECTION

If your recycling was at the curb by 6:30 a.m. on your collection day and was not picked up by 6:30 p.m. please call (763) 493-8006 by 12:00 p.m. (noon) the next business day to report it missed and schedule a pickup. Leave a message if calling after hours.

APARTMENT RECYCLING PROGRAM

If you need posters and labels for your building or recycling totes for residents visit www.hennepin.us/apartmentsrecycle or call (612) 348-3777.

BROOKLYN PARK:

All apartment buildings have single sort recycling provided by the City. If your building does not have recycling carts or dumpsters, give us a call at (763) 493-8006 to get your service started.

HENNEPIN RECYCLING GROUP — BROOKLYN CENTER - CRYSTAL - NEW HOPE:

Apartment buildings with less than eight living units may be included in the single sort recycling program. Larger building manager/owners are required by city ordinance to arrange for convenient recycling service for all tenants by contract with a licensed commercial collection contractor. The program rules may vary depending on the contractor service selected. Contact your building manager for details about the program at your location.

BUSINESSES

Both local ordinance and state law require businesses to have recycling service for at least four types of material (e.g. paper, plastic, glass and metal) throughout the business. Hennepin County provides free resources to help your business establish or expand recycling programs (including programs for organics). Visit www.hennepin.us/business/recycling-hazardous-waste/business-recycling.

WHAT TO RECYCLE

Single sort recycling means no separating- everything goes together in your cart!

ACCEPTED IN YOUR CART

- Glass bottles & jars
- Plastic bottles, jugs, cups, containers and lids (pour out liquids, rinse and put caps back on)
- Metal food and beverage cans
- Milk cartons, juice boxes, soup cartons (pour out liquids, rinse and put caps back on)

WHAT TO RECYCLE, CONTINUED

- Paper – newspapers; office & school; mail, magazines & catalogs; phonebooks; paper bags; cardboard boxes (flatten, tape or tie into bundles 3' x 3' and no thicker than 6", place next to cart); boxes from cereal, crackers, toothpaste, medication and other toiletries; shoe boxes, gift boxes, electronics boxes; shredded paper in closed paper bags; take out or delivery pizza boxes
- Scrap metal – Scrap metal must be less than 10 pounds and shorter than 18 inches in all directions. No wire or rods. Remove non-metal parts. (NO nails, NO needles, NO fluids)

DO NOT PUT IN YOUR CART

- Garbage, food waste, diapers
- Plastic bags and wrap
- Refrigerated or frozen food boxes
- Styrofoam™ cups, plates and packaging
- Paper towels, plates, napkins and tissues
- Window glass, drinking glasses, mirrors, light bulbs
- Motor oil bottles and other containers that held hazardous products
- Leaves, grass, brush
- Wood and drywall
- Needles and nails
- Microwaveable food trays

ADDITIONAL RECYCLING PROGRAMS

FREE 24 HOUR MOTOR OIL RECYCLING

The City of Brooklyn Park has a public drop off site for used motor oil, oil filters, and antifreeze located at Operations and Maintenance 8300 Noble Ave N. South side of complex (outside of the gate). The oil is used to heat certain city buildings.

DROP OFF DAY

Twice a year we host a special drop-off for residents to bring in certain unwanted items. This event is open to residents of Brooklyn Park, Brooklyn Center, Crystal and New Hope and is held at the Brooklyn Park Operations and Maintenance campus at 8300 Noble Avenue North. www.brooklynpark.org/recycling-events/

CLOTHES RECYCLING

You can now recycle clothes, shoes, and household items at the curb.

Put your items in an orange bag from Simple Recycling. Place your bags next to your recycling cart on your recycling day. Do not put the bag in your cart. Your bags will be picked up in a separate Simple Recycling van.

After picking up your bags Simple Recycling will leave behind replacement bags. Or you can request additional bags on Simple Recycling's website simplerecycling.com, call them at 1-866-835-5068 or visit your City Hall. Find a complete list of acceptable items on the Simple Recycling website too.

Did you know, without a curbside program, 85% of clothing, shoes, and reusable home goods get thrown into the trash?

TREE AND LAWN CARE

Minnesota law prohibits disposal of lawn and tree waste with garbage or recycling.

YARD WASTE DROP-OFF SITE

(free to Brooklyn Park and HRG residents)

Open April 1 - November 30 weather permitting

Maple Grove Yardwaste Site www.mgyardwaste.com

10300 Maple Grove Parkway North, Maple Grove.....(763) 420-4886

Hours: Monday – Saturday 8 a.m. - 7 p.m.; Sunday 12 - 7 p.m.

A drop-off site for grass, leaves, small brush, wood chips, tree limbs 10 inches or less in diameter, and small quantities of sod. The cost for this site is paid through the “Recycling Service” RS utility fee. There is no additional charge at the gate. Proof of residency required.

COLLECTION

Every licensed garbage company must offer yard waste collection and may charge additional fees for the service. Call your garbage hauler for details. **Please note** – if bagging yard waste state law requires residents to use compostable bags.

TREE DEBRIS

Drop-off Site – Private: (Logs, Stumps, Christmas Trees)

Ceres Environmental, 3825 85th Ave N, Brooklyn Park.....1(800)-218-4424

Elk River Landfill, 22460 Hwy. 169 NW, Elk River.....(763)-441-2464

SKB Environmental, 630 Malcolm Ave SE, Mpls.....(612)-331-4610

Collection: Consult the Yellow Pages to find a tree removal service contractor.

WOOD MULCH

Shredded tree mulch is available for free as supply lasts. Quality and availability varies. Residents must provide containers and load the materials themselves at:

Central Park Parking Lot (83rd Ave N and Noble Ave N).....(763) 493-8007

ORGANICS

Organics are accepted for recycling for free from residents and small businesses at the Hennepin County Drop-Off Facility in Brooklyn Park Tuesdays through Fridays.

Acceptable organic materials include:

- All food scraps including vegetables, fruits (including peelings, pits and shells), meats, poultry, fish, bones, grains, dairy products, egg shells, bakery and dry goods, coffee grounds and filters, tea bags etc.
- Non-recyclable paper including greasy delivery pizza boxes, napkins, paper towels, tissues, shredded paper, paper egg cartons, parchment and wax paper, dirty paper bags, etc.
- BPI-certified compostable paper plates, cups, plastic utensils and containers. More information at www.bpiworld.org/BPI-Public/Approved
- Cotton balls and swabs, hair, wood chopsticks, popsicle sticks, and toothpicks.

Organics must be in BPI-certified compostable bags. Limit of five bags per person per day. All organic material collected is taken to a commercial composting facility where it is turned into beneficial compost.

BACKYARD COMPOSTING

Yard waste is a natural resource. If managed in an environmentally sound manner, finished compost can act as a valuable soil amendment. When worked into soil, compost generally improves drainage and aeration of heavy soils.

Backyard composting is permitted on single family home lots in accordance with city zoning and planning ordinances and must be done in a manner so as not to create a nuisance. For details on **How to Compost** call:

- Hennepin County.....(612) 348-3777
- Recycling Administration(763) 493-8006
- U of M Extension Service(612) 374-8400

Vermicomposting: Turn your food and non-recyclable paper waste into usable compost at home with worms. For more information on indoor composting visit:

- Minnesota Pollution Control Agency www.pca.state.mn.us
www.vermicompost.net

EVENTS

Whether you're having a small dinner party or a large family gathering, plan ahead to reduce, reuse and recycle. Find resources including planning guides, tips, case studies, links, and more to help you get started with going green at your next event at www.rethinkrecycling.com/event-planning

Hennepin County has free ClearStream® portable recycling units you may borrow for recycling and organics (food and non-recyclable paper) collection at events. For more information visit www16.co.hennepin.mn.us/forms/portable-recycling-program

HOUSEHOLD HAZARDOUS WASTE

When chemical products are no longer usable or wanted, they become household hazardous waste. Problem materials include many items that are prohibited from disposal in household trash or pose other disposal issues.

Household hazardous wastes (HHW) and problem materials should not be placed in household trash. Household hazardous products can be harmful to human health and the environment if used, stored or disposed of improperly.

HHW may be disposed of for free at the Hennepin County's Drop-Off Facility in Brooklyn Park. Find more information at www.hennepin.us/dropoffs

GARBAGE SERVICE

Residents and businesses may pick a garbage hauler from a list of haulers licensed by their City. Townhomes are considered single-family housing and the associations select their garbage service provider. The hauler provides garbage carts and dumpsters.

Licensed Garbage Haulers

For a current list of residential licensed haulers including basic rates call (763)-493-8006

BUSINESS RECYCLING

Most businesses are required by law to have recycling service. Businesses may wish to contract with a licensed hauler that provides both garbage and recycling collection.

Small Business Free Drop-off

Hennepin County Drop-off Facility..... www.hennepin.us/dropoffs
8100 Jefferson Hwy, Brooklyn Park.....(612) 348-3777

Accepted: Newspaper, mixed office paper, magazines, phonebooks, cardboard, plastic bottles, glass bottles and jars, metal cans, and scrap metal.
Material must be sorted.

Businesses are limited to one pickup truck load of recyclables per week.

Business Assistance:

Hennepin County provides free consultation for businesses on recycling and organics. Grants are also available to pay to begin or expand recycling and organics programs. www.hennepin.us/business/recycling-hazardous-waste/business-recycling

Minnesota Waste Wise, St. Paul..... www.mnwastewise.org • (651) 292-4662

A program to increase waste prevention and recycling among business, non-profit and government organizations throughout the State. Sponsored by the MN Chamber of Commerce and MPCA.

CABINETS See “Building Materials”

CAMERAS AND CAMCORDERS

Disposal – Free:

Best Buy takes digital cameras and camcorders. Details at BestBuy.com (search for Recycling)

Best Buy Stores

Maple Grove – 12905 Elm Creek Blvd N, Maple Grove
Coon Rapids – 12633 Riverdale Blvd NW, Coon Rapids

Film cameras may be disposed of in your regular trash.
Remove any batteries first.

CANS

Rinse and place steel and aluminum food and beverage cans in recycling cart loose – not in plastic bags. Do not place aerosol spray cans or empty paint or chemical cans in the recycling cart. Those go in your trash.

CAR SEAT – CHILD’S SAFETY SEAT

Due to liability concerns they are not accepted for reuse. Put in your trash.

CARBON MONOXIDE DETECTORS

Carbon monoxide detectors and smoke alarms should be replaced at least every 10 years. They can be recycled at Retrofit Recycling, 2960 Yorkton Boulevard, Little Canada. Otherwise remove and recycle the batteries and put the detector in the garbage.

A-Z MANAGEMENT DIRECTORY

GASOLINE • KEROSENE • FLAMMABLES • FUEL

Do not pour on ground or into a drain or storm sewer. Mix old gasoline with new gasoline and use up in equipment whenever possible. Otherwise use Hennepin County's Household Hazardous Waste Drop-off Facility.

Hennepin County Drop-off Facility..... www.hennepin.us/dropoffs
8100 Jefferson Hwy, Brooklyn Park.....(612) 348-3777

GLASS

Recycle: Clean green, clear and brown glass bottles and jars.

Reuse: Glass jars make excellent storage containers for bulk purchased food, and odds and ends.

Non-Recyclable Glass Materials Include: drinking glasses, incandescent light bulbs, mirrors, Pyrex, vases, windows and windshields are non-recyclable. Put these in your garbage.

GRASS See "Tree and Lawn Care" on page 6

HANGERS

Wire: Most dry cleaners and sewing shops accept metal hangers for reuse or recycle as scrap metal. Do not put in your recycling cart.

Plastic: When no longer usable, put in trash.

DO NOT put hangers in recycling cart.

HAZARDOUS WASTE

By Law, all Hazardous Waste generated in Hennepin County must be managed under the direction of Hennepin County Environmental Services.

Household Hazardous Waste: Any item found in a home, basement, garage, or shed and is labelled "Caution", "Warning", "Dangerous", "Flammable", "Caustic", "Volatile", "Poison", "Explosive" is hazardous. These items must never be mixed together and should be kept tightly sealed and labelled as to the contents.

Hennepin County Drop-off Facility..... www.hennepin.us/dropoffs
8100 Jefferson Hwy, Brooklyn Park.....(612) 348-3777

Business/Commercial: Hazardous Waste must be managed according to all accepted practices under rules of the Minnesota Pollution Control Agency and Hennepin County. A business must be licensed by the County if they generate any materials that are considered to be hazardous.

MEDICINE

DO NOT FLUSH expired or unwanted medicines down the toilet or drain. This can have adverse effects on our water system.

Collection Sites:

There are permanent medicine collection locations in Hennepin County including:

- Sheriff's Patrol Station 9401 83rd Avenue, Brooklyn Park
- Brookdale Library, 6125 Shingle Creek Pkwy, Brooklyn Center
- Walgreens, 7700 Brooklyn Blvd, Brooklyn Park

Accepted items include: Ampoules, Blister Packs, Capsules, Inhalers, Medication, Medicines, Over-the-Counter Medicine, Patches, Pet Medication, Pet Medicine, Pharmaceuticals, Pills, Prescription Drugs, Supplements, and Vitamins

Not Accepted items include: No Needles, Sharps or Syringes. No medicines from businesses including healthcare facilities, pharmacies, doctors' offices or veterinary clinics.

Visit www.hennepin.us/medicine for hours and additional locations.

Home Disposal: (not preferable)

Keep medication in original container, remove or black out any personal information, then modify the contents.

Tape the medication container lid shut with duct tape and conceal it in a non-transparent container, such as a yogurt tub. Then place the container in the garbage. You can also put needles in plastic bottles with the cap on and mark what is inside the bottle.

MEDICINE, CONTINUED

Sharps:

For disease prevention purposes infectious or medical waste needs proper disposal.

“Sharps” include needles and other similar disposable instruments used at home for medical treatment. Contact your physician or pharmacist for disposal alternatives.

Home Disposal is legal, but is the least safe option. Used sharps can be collected in a laundry detergent bottle with a screw-on lid. When full label it “Contains Sharps, Do Not Recycle” and place into the garbage.
