2020 Primary and General Election Update

With the 5th Presidential Nomination Primary in state history complete, the 2020 primary and general elections are scheduled for later this year.

The 2020 Primary Election is Tuesday, Aug. 11 and the General Election is Tuesday, Nov. 3.

Municipal Election

Crystal will have four council seats on the 2020 general election ballot. Any one of these offices could be on the Primary Ballot should three candidates apply.

The term for mayor and three council seats representing Ward 3 and Ward 4 in northern Crystal, and Section I (Wards 1 and 2) in southern Crystal, expire at the end of 2020.

**IMPORTANT ELECTION DATES**

- **May 19 – June 2**: Early candidate filing period open from 8 a.m. – 4:30 p.m. and June 2 until 5 p.m.
- **June 26 – Aug. 10**: Absentee voting for Primary Election. Vote by mail or at city hall (Monday - Friday, 8 a.m. - 4:30 p.m.) Also open Saturday, Aug. 8 from 10 a.m. - 3 p.m. and Monday, Aug. 10 from 8 a.m. - 5 p.m.
- **July 21**: Voter pre-registration closes at 5 p.m.
- **Aug. 11**: Primary Election polls open from 7 a.m. - 8 p.m.
- **Sept. 18 – Nov. 2**: Absentee voting for General Election. Vote by mail or at city hall (Monday - Friday, 8 a.m. - 4:30 p.m.) Also open on Saturday, Oct. 31, from 10 a.m. - 3 p.m. and on Monday, Nov. 2, from 8 a.m. - 5 p.m.
- **Oct. 13**: Voter pre-registration closes at 5 p.m.
- **Nov. 3**: General Election polls open from 7 a.m. - 8 p.m.

**Election Judges Needed**

Election judges ensure that the election process is accurate and fair for everyone eligible to vote. You can share your time and talents with others serving the community and earn extra money by applying.

Application forms and information is available on the city’s website at www.crystalmn.gov, under “Government” and “Voting and Elections,” or contact the city clerk at 763-531-1145 or chrissy.serres@crystalmn.gov.

**Candidate Filings**

The filing period for council members is open from May 19 – June 2. All candidates must be an eligible voter, at least 21 years of age when assuming office, a resident of their ward or section at the time of filing for office, and have no other affidavit on file for any office. Those interested must file for office with the city clerk at city hall, 4141 Douglas Dr. N. Contact the city clerk at 763-531-1145 or chrissy.serres@crystalmn.gov.

More information on polling locations, absentee voting and voter registration is available on the city’s website at www.crystalmn.gov, under “Government,” and “Voting and Elections.”

Never miss opportunities like Cheers to Crystal on March 20 or the Bulky Waste Curbside Clean-up from March 30 – April 9.
SAVE THE DATE

Becker Park Grand Opening Set May 16

After several years of planning and another year of construction, Becker Park will host a Becker Park Grand Opening Celebration as Crystal’s central gathering place on Saturday, May 16 from 10 a.m. – 1 p.m. The event will include a ribbon cutting event with local dignitaries, food, fun entertainment and much more.

The park now includes an inclusive play area, interactive fountain, performance area and places to sit and enjoy the park. The park will again be hosting summer concerts, Crystal Frolics activities and other events throughout the year.

City Council Approves Budget for 2020

The Crystal City Council reviews the demand for, and cost of, all its services and prioritizes them in a biennial budget cycle.

On Dec. 17, 2019, the council approved a 2020 budget that provides the city council and residents with a balanced budget and a sound financial plan that maintains core service levels, while remaining responsive to the financial concerns of Crystal taxpayers.

The 2020 budget is the second year in the city's first biennial budget cycle. The 2019 budget focused on operations, and the 2020 budget focuses on long-term planning and capital. Each budget year is impacted by inflation, state and local policy changes as well as the economy.

Priorities for 2020 include maintaining services at current levels, three elections and continued investment in the Park System Master Plan and Building Fund.

Property taxes support approximately 69% of the annual General Fund budget; and, in order to meet objectives, the overall city budget includes a 9.03% increase in 2020.

The 2020 budget requires $14,780,026 for operations within the General Fund to continue at existing service levels and includes the best information available regarding inflationary factors, union contract settlements and anticipated maintenance and equipment needs.

To see Crystal's 2019 – 2020 Biennial Budget, visit crystalmn.gov/resident/finance/city_budget.
Chief’s Corner

As our Minnesota winter comes to an end, and the spring season quickly approaches, the Crystal Police Department continues to partner with, and reach out to, our citizens and community.

We would like to thank several of our citizens for volunteering their time to assist us this past holiday season with our Shop with a Cop program. We assisted several children and families in need and appreciate all who were involved. Also, a big thank you to Target, Crystal Crime Prevention Board, and our MAC (Multi-Cultural Advisory Committee) for donating several gift cards, food and time so the kids could have a wonderful time shopping with our officers.

We are excited that the Crystal Lions and VFW are again sponsoring and hosting the Bowling for LEO fundraiser on Sunday, March 15 from 11 a.m. to 2 p.m. Registration starts at New Hope Bowl at 10:30 a.m. The event will end at the Crystal VFW. We hope to see you there.

We are also excited to continue our tradition of engaging our community with several events throughout the year such as Coffee with a Cop and Night to Unite.

Consider joining us for our next Coffee with a Cop event on Saturday, March 21. Thank you to the Egg House Café for hosting the event from noon to 1:30 p.m. We appreciate our partnerships with local businesses.

The success of our city is directly connected to our great citizenry. Thank you for helping make Crystal a great place to live and work.

As always, if you have a question or need additional information from the police department, contact me at stephanie.revering@crystalmn.gov, 763-531-1010. You can also keep in touch via Facebook or Twitter. Links are available at police.crystalmn.gov.
Annual West Metro Fire-Rescue District Food Drive is March 21

Firefighters Fighting Hunger Food Drive is Saturday, March 21, from 11 a.m. to 3 p.m. Firefighters are collecting non-perishable food items and monetary donations to benefit The Food Group (formerly the Emergency Food Shelf Network).

West Metro firefighters will have fire vehicles at several local grocery stores including Almsted's Fresh Market, Crystal Aldi, Crystal Target, both Cub Foods on 36th Ave. N. in Crystal and 42nd Ave. N. in Plymouth and the Hy-Vee in New Hope.

Items can also be dropped off at West Metro Fire Station No. 3 at 4251 Xylon Ave. N. in New Hope, on weekdays from 8 a.m. to 4 p.m., or at all three West Metro fire stations any time that crews are present through March 21.

For more information, call 763-230-7007 or visit www.wmfrd.org.

Garage Fires Prompt Warning

The West Metro Fire-Rescue District responded to seven garage fires last year. Garage fires are dangerous and can spread rapidly to other structures – including the home – resulting in total structural loss. Last year’s fires were caused by several factors, including improper extension cord use, faulty electrical wiring, improper battery storage and the illegal use of a garage as a living space. Each fire was preventable.

Avoid a fire in your garage by following these tips:

- The door between an attached garage and the house should be fire rated, and do not block or seal any doors.
- Do not use extension cords in place of permanent wiring, and replace old or faulty wiring.
- Do not overload electrical outlets. Use the correct light-bulb wattage in fixtures, and maintain access to your fuse box/electrical panel.
- Verify that you have a firewall separating your garage from the house. Keep any vehicle in the garage well maintained.
- Properly store flammable liquids and chemicals, and store oily rags in a covered metal container. Do not accumulate a large fire load or store items in the rafters.
- Keep a 5 lb. ABC-type fire extinguisher (minimum) near the exit of your garage.

For more information, contact Deputy Fire Marshal Shelby Wolf at 763-230-7006.

CodeRED

Sign Up for CodeRed, Crystal’s Emergency Notification System

The City of Crystal, in cooperation with New Hope and the West Metro Fire-Rescue District, is part of the free emergency notification system known as CodeRed. This service delivers customized emergency messages to residents and businesses via phone calls, text messages and emails.

This system will not be used too regularly or become another source of routine information. It is intended to provide an immediate, direct way to communicate instructions to people in the city during a significant emergency.

Emergency notifications address:
- Utility disruptions.
- Drinking water contamination.
- Shelter in place or evacuation alerts.
- Missing persons.
- Major road closures due to an emergency.
- Other major threats to life and safety.

Sign up on your phone today by texting “crystalnewhope” to 99411. Sign up on any device or computer at bit.ly/31JsJ1D.
Free Technical Assistance Available for Local Businesses

Open to Business provides one-on-one technical assistance at no charge to existing or proposed new businesses in Crystal.

Open to Business advisors can help local business people develop a business plan and provide guidance on essential business skills such as record keeping, cash flow analysis and marketing. Advisors can also help connect emerging businesses to loans and other financial resources.

For information, visit www.opentobusinessmn.org or contact Rob Smolund at rsmolund@mccdmn.org or 612-843-3260.

Blue Line LRT Would Provide Service to Downtown, Airport and MOA

Metro Transit is proposing to expand light rail transit (LRT) service from Minneapolis to Golden Valley, Robbinsdale, Crystal and Brooklyn Park. Crystal would have a station and park & ride at the southwest corner of Bass Lake Rd. and Bottineau Blvd.

The METRO Blue Line Extension would provide service to regional destinations such as downtown Minneapolis, MSP International Airport and the Mall of America.

Learn more at www.crystalmn.gov.

EDA Home Improvement Grants & Loans

The City of Crystal offers financing assistance to homeowners for home maintenance and energy improvements.

Home Improvement Grant
The city’s Economic Development Authority (EDA) provides a grant of 20% of the eligible costs for home improvement projects:

- Property must be owner-occupied.
- Household income cannot exceed 110% of metro area median income.
- Eligible costs must total at least $2,000.
- Grant is 20% of eligible costs (40% for some sanitary sewer projects).
- Property may not receive grants totaling more than $10,000 per year.
- Application must be submitted and approved before starting your project.
- The grant will be paid after the project is completed and inspected.

Fix-up Fund Loans
The city’s EDA provides an interest rate write-down for Community Fix-up Fund home improvement loans.

Loan amounts can be from $2,000 - $50,000. The loan term may be up to 20 years.

The interest rate is 3% (APR 3.165% for a 15-year loan of $50,000). The property must be owner occupied.

For more information, contact the Center for Energy and Environment at 612-335-5884, www.mncee.org.
Elision Playhouse Open

Elision Playhouse opened in the summer of 2019 after completely remodeling the former Mill End building at 6105 42nd Ave. N. The playhouse hosts performances by Crystal-based Theatre Elision and other theater groups from around the metro. Learn more at elisionplayhouse.com.

Scattered Site Lots for New Homes

The City of Crystal sold seven lots in 2019 and the new homes will be completed and available for purchase in 2020.

For more information about available lots, contact Dan Olson at 763-531-1142 or dan.olson@crystalmn.gov or visit the Community Development webpage under “Our City” at crystalmn.gov.

The Census is a constitutionally-required count of all people living in the United States every 10 years. The 2020 Census is happening now. In mid-March the Census Bureau will be mailing all residential properties an invitation to respond online. Be sure to respond to the Census to help ensure a complete count.

For more information, visit 2020census.gov.

What’s at stake?

- A complete count will reduce the chance of Minnesota losing a Congressional seat.
- Census data are used to allocate federal and state funding for local needs.
- Census data are also used by the private sector to decide where to make economic investments.

Did you know you can earn money while serving your community and country with a U.S. Census Bureau job? Learn more at 2020census.gov/en/jobs.html.
Bulky Waste Curbside Cleanup March 30 – April 9

Special Material Drop-off Day is April 25

Bulky Waste Curbside Cleanup
Is it time to get rid of unusable furniture, mattresses, carpet, appliances and more? The Hennepin Recycling Group (HRG) curbside bulky waste cleanup is March 30 – April 9, depending on your location. Crystal is divided into different zones, each with its own day of collection (see map, left).

Place any materials at the curb by 7 a.m. on your designated day. Reminder postcards will be sent in March with collection dates and details regarding acceptable items. TVs, other electronics, tires, paint and chemicals are not accepted.

For more information, including a complete list of what is accepted, visit www.hrg-recycling.com or call 763-493-8006.

Special Material Drop-off Day
HRG hosts two Special Material Drop-off Days per year for Crystal residents for items that can’t go in the regular recycling or were missed during the curbside cleanup. The next drop-off event is April 25, from 8 a.m. to 3 p.m. at the Brooklyn Park Operations and Maintenance Facility, 8300 Noble Ave. N.

Residents can drop off mattresses, carpet, electronics, appliances, tires, scrap metal, bikes, batteries and more. Fees may be charged for some items. There is also free paper shredding.

For more information, including a complete list of what is accepted, visit www.hrg-recycling.com or call 763-493-8006.

Arbor Day and Park Cleanup
May 6 at 6 p.m. at Broadway Park

- Refreshments

Celebrate Trees in the Community

Maple Grove Yardwaste Site Opens April 1

Residents can dispose of leaves, brush and other yardwaste for free at the Maple Grove Yardwaste Site beginning Wednesday, April 1. The site is located at 10300 Maple Grove Pkwy. in Maple Grove.

Yardwaste Site Schedule:
Monday – Saturday: 8 a.m. – 7 p.m.
Sunday: noon – 7 p.m.
Closed Memorial Day, 4th of July, Labor Day and Thanksgiving.
For more information, call 763-420-4886 or visit www.mgyardwaste.com.
**Spring Lawn Tips**

For residents eager to start working on their yards after a long winter, here are some tips.

Spring grass is tender, if you are going to do some raking, choose one with soft tines. Consider using a plastic rake over a metal one this time of year.

Spring is a great time to have your yard aerated. Aeration allows air and water to enter your soil, relieve compaction and stimulate root growth.

Complete a soil test to determine what supplements your yard may need. Soil test kits are available from the University of Minnesota extension services at soiltest.cfans.umn.edu.

Choose a fertilizer without phosphorus. The middle number should be zero (example 20-0-10). The optimal time to apply fertilizer is around Memorial Day when the grass is actively growing. Never fertilize over frozen ground. Labor Day is a great time for a second application. A slow release fertilizer is recommended; it is slightly more expensive but lasts for up to three months. Use a fertilizer spreader with an edge guard if possible; if not, sweep material off of hard surfaces.

When applying crabgrass preventer, the soil temperature should be 55 degrees for optimal protection (hint: look for the lilacs to be in bloom).

For more information, visit, bit.ly/2SI674f.

---

**Report**

**CODE VIOLATION**

**Property Maintenance**

Strong neighborhoods are a city council priority. Crystal’s Property Maintenance Code preserves the long-term stability and livability of neighborhoods by protecting the life, health and safety of building occupants, preventing the emergence of blighted and deteriorated property and structures and maintaining property values in the city.

An important component in property maintenance is ensuring that a structure’s protective exterior is kept in good repair and provides sufficient coverage and protection from the elements. This standard also applies to garages, sheds, fences and other accessory structures. Proper upkeep includes maintaining exterior walls, chimneys, foundations and roofs.

It is also important to keep properties free of litter. In addition to household garbage, appliances, furniture and miscellaneous junk, “litter” also refers to motor vehicles, trailers, recreational vehicles and equipment that are inoperable, unlicensed, partially dismantled or abandoned. Household garbage must be stored in an approved garbage container and collected by a licensed refuse hauler. Other litter must be stored in a building such as a garage or storage shed. Whether it is old appliances, tires, or excess materials from a project, outdoor storage can quickly become unsightly, so please do your part to keep your neighborhood looking good.

For code enforcement-related questions, contact the Code Enforcement Specialist at 763-531-1143 or jason.zimmermann@crystalmn.gov.

**Crystal Fund**

**PLANT SALE**

*Saturday, May 16, 9 a.m. – 1 p.m. at Becker Park*

Visit [www.cfcpinc.com](http://www.cfcpinc.com) for more information.

Proceeds to improve Crystal parks and open spaces.
2020 City Street Projects in Southern Crystal

In 2020, the City of Crystal is conducting mill and overlay pavement maintenance work on 6.25 miles of city street in southern Crystal. The project will remove approximately 1.5 inches of the existing street surface and replace it with new asphalt.

As part of this project, damaged, deteriorated, settled and severely cracked sections of curb and gutter will be replaced, including some pedestrian sidewalk curb ramps. Repairs will also be made to deteriorating manhole and storm sewer structures, and some minor drainage improvements will be made in specific locations.

In addition to street maintenance, the city will reconstruct the utilities (primarily water and sanitary sewer) on two streets: Kentucky Ave. between Medicine Lake Rd. and 30th Ave.; and on Jersey Ave. between 30th and 32nd Aves. Unfortunately, this project will be extremely disruptive as the streets will be completely removed during the replacement of both the water and sanitary sewer mains.

City of Crystal Utility Rates for 2020

Adopting a more proactive approach with a focus on planning and coordinating projects, the city developed and implemented a long-term plan for its utilities including funding for utility-related capital projects.

As part of this approach, the city completed a Utility Rate Study in 2018. The study analyzed the operational and infrastructure needs of the city's water and sanitary sewer system, noting that the city's utility infrastructure (water, sanitary sewer, storm drainage) is 40 – 60 years old and in need of maintenance or replacement.

Following the study, utility rates were defined for a period of five years, with the billing to be based on consumption plus base charges for access to water and sanitary sewer service.

In 2019, for the first time, rates identified in the Utility Rate Study were used to define utility rates throughout the city. Based on this, utility customers are seeing rate increases in 2020.

For rate questions, contact jennifer.schneider@crystalmn.gov.

763-531-1115. For more information, contact public works at publicworks@crystalmn.gov, 763-531-1139.

Consider Adopting a City Storm Drain

The City of Crystal has joined the Adopt-a-Storm Drain project.

The program asks city residents to adopt a storm drain in their neighborhood and keep it clear of leaves, trash, and other debris to reduce water pollution.

Storm drains flow directly to local lakes, rivers and wetlands, acting as a conduit for trash and organic pollutants.

Learn more and sign up at bit.ly/2SnYxWS.
PUBLIC WORKS

Public Works To Host Open House on April 13

The Crystal Public Works Department will host an open house at its facility (5001 West Broadway) on Monday, April 13 from 9 a.m. to noon. The open house will be the facility’s second since opening its doors in September 2016.

The event will include tours, demonstrations, displays, give-aways and activities for the whole family. Take a photo with some of the vehicles and traffic signals and signs you see around the city. Demonstrations by the streets, utilities and parks divisions will include how the city makes brine and salts its roads, water tapping, how the city clears out sumps, and how the water truck makes ice and large mowers function.

Indoor displays will include various plows, mowers, trucks and other equipment.

For more information, contact public works at publicworks@crystalmn.gov, 763-531-1139.

Council Honors Public Works Employee Nelson

At its meeting on Feb. 4, 2020, the Crystal City Council honored Public Works Employee John Nelson for his actions regarding a house fire on the morning of Dec. 31, 2019.

Nelson was plowing snow and noticed flames coming from the basement of a home, giving aid and comfort to the resident.

Waze to Navigate

The City of Crystal, in cooperation with the Waze navigation app, provides updates so that residents and other drivers in Crystal can quickly get construction, hazard or emergency closure information.

Waze drivers are provided an alternate route to their destination in near real-time, should a problem arise. All city street speed limits are programmed into Waze. Drivers can get an alert if they are traveling over the speed limit. Always keep your hands free while driving. It’s the law.

Severe Thunderstorm Risk Categories

- **Thunderstorms (no label)**: No severe thunderstorms expected. Lightening/thunderstorm threat exist with all thunderstorms. Winds to 40 mph and small hail possible.
- **Marginal Risk (MRGL)**: Isolated severe thunderstorms possible. Limited to duration and/or coverage and/or intensity. Wind to 40-60 mph, hail up to 1”, and low tornado risk.
- **Slight Risk (SLGT)**: Scattered severe storms possible. Short-lived and/or not widespread, isolated intense storms. One or two tornadoes. Reports of strong winds and wind damage. Hail > 1”, isolated 2”.
- **Enhanced Risk (ENH)**: Numerous severe storms possible. More persistent and/or widespread, a few intense storms. A few tornadoes. Several wind damage reports. Damaging hail, 1”-2”.
- **Moderate Risk (MDT)**: Widespread severe storms likely. Long-lived, widespread and intense storms. Widespread wind damage. Destructive hail, 2” or greater.
- **High Risk (HGH)**: Widespread severe storms expected. Long-lived, very widespread and particularly intense storms. Tornado outbreak. Destructive.

*SRMC defines a severe thunderstorm as measured wind gusts of at least 58 mph, and/or hail of at least one inch in diameter, and/or a tornado. All thunderstorm categories imply lightning and the potential for flooding. Categories are not tied to the probability of a severe weather event within 25 miles of your location.*

DID YOU KNOW?

- ✔ Sewer back-up coverage is often an add-on to a homeowner’s policy.
- ✔ Floods aren’t covered by homeowners insurance.
- ✔ Flood insurance takes effect after 30 days.
- ✔ As long as your community participates in the National Flood Insurance Program, you can buy a flood policy.
