REQUIRED INFORMATION WHEN APPLYING FOR A SIGN PERMIT:

Please use this checklist to ensure a complete submittal.

- City of Crystal sign permit application *for each sign*.
- Two** copies of plans, drawn to scale, showing the design of proposed sign, type of materials being used for the construction of the sign and method of attachment. Include existing signage that will remain on the property.
- Property Owner's written approval of sign.

If the sign is NOT mounted to a building include:

- Two copies of a Certificate of Survey or two copies of a site plan drawn to scale, indicating the proposed location of the sign, with setback measurements from the property line.
- Stress sheets and calculations showing structure meets dead load and wind pressure requirements of code.

The complete Sign Code is available on the city website (www.crystalmn.gov) under City Government/City Code.

The undersigned hereby certifies upon all of the penalties of the law, for the purpose of including the City of Crystal to take the action herein requested, that all statements on this application have been read and examined and are true and correct, and that all work whether specified herein or not will be done in accordance with the ordinances of the City of Crystal and the laws of the State of Minnesota.
